## PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

## MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We are working with various partners on the following projects:

- Rebuilding Together — updating a home for a family in need
- Making Spirits Bright — a drive through holiday light show that collects donations for local food pantries
- Common Hope — a Rotary group worked in Guatemala to support education
- American Flag leasing program - filling our community with flags
- Student scholarship - supporting education within our community
- Meals on Wheels - delivering meals to those in need
- Camp Enterprise - leadership retreat for high school students
- Interact and Rotaract - student service organizations
- Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all

## GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Our members have found that it's a truly rewarding experience.

Club Meetings - most Mondays, 12 noon at the Sheboygan Elks Club, 1943 Erie Ave. Check [www.sheboyganrotary.com](http://www.sheboyganrotary.com) for exceptions to the meeting schedule.

Rotary's motto, "Service Above Self" attracts people who are committed to helping those less fortunate and making the world a better place. I've learned that through local and international service there is also personal development, fellowship, friendship, and fun. Kayla Clinton

Rotary isn't a social club, it is a community club. To me Rotary's biggest advantage is its work towards community improvement. As Rotarians the difference we make starts in Sheboygan, but our efforts have an impact across the globe. Mark Andrade
